

SPIRITUAL WARFARE PRAYER AGAINST THE ENEMY'S HEALTH AGENDA

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Ephesians 6:12

The Coronavirus is a red herring to get people off of the streets while they upgrade the 5G infrastructure. The bans allows them the cover to install the 5G grid without people watching; and test it without people being affected by the signals. They'll operate under the guise of doing a deep clean, so keep an eye on your local schools, churches, stadiums, restaurants, businesses, etc., to see if they're installing 5G microwave equipment.

These 5G microwave weapons cause oxygen and iodine absorption, meaning they deprive the body of oxygen and iodine. This is why people in Wuhan, China, were dying so suddenly. When the 5G system is brought online, it will cause massive deaths, which will then be blamed on another rogue virus; which will help them justify mandatory vaccines; which are the real Trojan horse, as they contain toxins which will destroy people's health and mind.

The enemy is seeking to destroy our brain's pineal gland, to disrupt our ability to connect with our Father.

They do this with aluminum from chem-trails, glyphosate in food, fluoride in water; and with 2.4g and 5G signals which open the blood brain barrier, to allow those toxins to enter our brain and collect in the pineal gland.

Minimize the intake of glyphosate, which is in products with wheat, oats and other grains. Minimize GMO foods. Drink filtered water. Don't get vaccines. And reduce your exposure to wifi and 5G microwave signals.

The enemy is seeking to destroy our health, and fill our body with dormant viruses which can be activated later. They do this with vaccines, which have mercury, aluminum, and DNA from a cancerous aborted fetus.

We need to take steps to protect ourselves from these toxic substances, by removing ourselves from their influence. But we will the battle by exposing these deceptions, and through praying against the enemy.

We pray that you bind the chem-trail nano-particles, the metals, the fluoride, the GMOs, glyphosate and 5G, and make them inert; so that they can't poison our bodies, which is the hold temple of our Heavenly Father.

Revelation 18:23 says "*for by thy sorceries were all nations deceived.*" Sorcery = *pharmacy, medication, witchcraft.*

We pray that you wake up your saints to the evil vaccine agenda and protect them from forced vaccinations. We pray the prayer of protection of Psalms 91 and trust in you as our Protector.

We pray that you shield your saints from the 5G microwave wavelengths, which harm your temple, the body; by depriving oxygen, activating dormant viruses, and by affecting the blood-brain barrier, to allow toxins in the brain.

We pray that you bind the sorcery of the evil ones who control the vaccine and pharmaceutical companies; that you turn their diseases upon their heads, and you protect your saints from the witchcraft of their formulas. We pray that you cast down the influence of their organizations; the CDC, WHO, FDA and HHS; and people, such as Bill and Melinda Gates, who seek to drastically reduce the population through the sorcery of vaccines.

We pray that you bind the pilots of chem-trail planes, which spray the skies with technological sorcery, so they can't carry out their missions. We pray that you cause the chemtrail metals and toxins, to become inert.

We pray that you cast down Satanists, Luciferians, witches and other evil people; who incite wicked prayers against the saints, and the whole world. We pray that you raise up an army of prayer warriors to counter them.

We pray that you cast down the influence of the minions of Satan; the actors, musicians, and athletes; who promote the Illuminati, who make sacrifices until their false god, who mislead the world by pushing vaccines.

We pray that you disrupt the communication of the enemy, on earth; so that they're confused and weak. We bind these things up to you and pray that you cast down the power of the enemy over the saints, and the world.

We pray that you dispatch your warring angels to fight Satan's demons in the spiritual realm, to break their evil control over countries and your people. We pray for an army of prayer warriors to cast down strongholds.

We pray that you disrupt the communication of the prince of the power of the air, and that you cast his demonic principalities into dry and uninhabited places, and to the pits of hell!

Father, in the name and blood of Messiah, we pray that you act upon our earnest prayers, to counter the enemy!

We pray for a time of revival, when tough times bring people to their knees, to seek your face! HalleluYah!

We pray that you use the schemes of the evil ones, to draw millions to you, through your Beloved Son. HalleluYah!
